## Descriptions

### RESIDENTIAL SERVICES (CalWORKS)

Residential services is a twenty-four (24) hour residential program where recovery services and/or specialized recovery services are made available to CalWORKS recipients who have drug and/or alcohol related problems. Participants are involved in no less than six (6) hours of planned treatment activities per day under the supervision of trained staff. This is a treatment modality in which no person is treated for drug and/or alcohol related problems by means of administering, furnishing, or prescribing narcotics and/or restricted dangerous drugs. Programs also provide outreach and orientation to prospective participants of the treatment and recovery program, including educational presentations on alcohol and drug services to CalWORKS applicants at welfare offices and other approved locations.

### Outpatient Drug Free Services (Federal Drug/Medi-Cal)

Outpatient drug free services include crisis intervention, counseling, and client referral services for people who are Medi-Cal eligible. Clients receive counseling at least twice within each thirty (30) day period.

### RESIDENTIAL SERVICES (General Relief)

Residential services are twenty-four (24) hour residential programs where recovery services and/or specialized recovery services are made available to General Relief recipients. Clients are involved in no less than six (6) hours of planned treatment activities per day under the supervision of trained staff. This is a counseling modality in which no person is treated for drug and/or alcohol related problems by means of administering, furnishing, or prescribing narcotics and/or restricted dangerous drugs.

### ALCOHOL AND DRUG RESIDENTIAL SERVICES (RS-Ongoing)

Alcohol and drug residential services is a twenty-four (24) hour residential program where recovery services, and/or specialized recovery services are made available to persons who have alcohol and/or drug problems. Program participants are to be involved in no less than six (6) hours of planned treatment and recovery activities per day under the supervision of trained staff. Specialized recovery services may include therapeutic intervention by professional staff such as Licensed Clinical Social Workers, Marriage and Family Therapists, and Doctors of Philosophy. The alcohol and drug residential services program is an accessible resource to the community for information about alcohol and drug related issues, referrals to appropriate alcohol and drug services, and opportunities for volunteer activity.

### Residential Services (Prop 36)

Alcohol and drug residential services are twenty-four (24) hour residential programs where recovery services are provided to persons referred under the Proposition 36 program. Program participants are involved in no less than six (6) hours of planned treatment and recovery activities per day under the supervision of trained staff. A basic core of residential alcohol and drug services include, but is not limited to, intake and comprehensive assessment of participant's physical and emotional health; recovery and treatment planning and an intensive residential stay, including room and meals; individual, group, family, and collateral counseling in accordance with the participant's needs; availability of self-help groups; social and recreational activities for residents; referral to vocational counseling, training, skills development; and any other service deemed appropriate for contributing to participant's rehabilitation, including residential detoxification and to social services and mental health programs; exit planning to ensure that participant has support in recovery, including transition to community services; and follow-up on former participants. Additional specific services, in accordance with the Treatment Program Procedures for Proposition 36 participants, are also provided.
